

SACHA KLOOSTRA - DRUM LESSONS

JAZZ CO-ORDINATION MASTER LIST: ONE-BEAT VARIATIONS

Introduction

The following exercises help you with your 4-way co-ordination, as well as expanding your jazz vocabulary. The foundation for these exercises is the basic jazz cymbal beat, which is to be played underneath each exercise. Derived from the **jazz co-ordination master list**, these exercises explore combinations of different triplet groupings where each beat may be different.
